

The diagram consists of a square frame with a dashed border. Inside the frame, there is a solid vertical line passing through the center. The text '3 x 3 EDGE TEST' is centered horizontally and partially overlaid by the vertical line. Four directional labels are placed around the central area: 'TOP' at the top, 'BOTTOM' at the bottom, 'LEFT' on the left, and 'RIGHT' on the right. The entire diagram is enclosed within a thick black border with tick marks along all four edges, resembling a ruler or a coordinate system.
